“**WE CAN**” collaborates with other organizations and local businesses to improve the quality of life in our community by ensuring lasting, positive change in the lives of women and their families. They empower Cape Cod women of all ages to navigate challenging transitions and achieve lasting positive change through: Mentoring; free legal services; workshops, training and support groups, and information and referrals to other local resources. The **Cape Cod Family Resource Center** and **Cape Cod Neighborhood Support Coalition** collaborate to compile and distribute this monthly list for the benefit of Cape and Islands families and professionals who support them. We include workshops, classes, support groups, and other resources that we believe adhere to best practices; however, we suggest that you consider the appropriateness of program content for your family’s needs and values. This list is neither exhaustive nor an endorsement of any specific program or provider.
